

Hosted as a researcher
in the Hauts-de-France
region?

*EURAXESS helps you settle
and live your new life!*

- PhD students
- Postdoctorate researchers
- University professors
- Scholars

Services provided by the
Lille Hauts-de-France
EURAXESS Centre.

With the support of:

Université
de Lille

And:

Région
Hauts-de-France

*Get free assistance in your steps
to settle in your host country...*
and save time to enjoy
discovering your new
environment!

We inform and assist you when you need to:

- Choose and request the appropriate visa and residence permit for you and your family
- Provide for a health insurance fitted to your status and needs
- Open a bank account
- Find temporary or permanent accommodation meeting your criteria
- Get local information on public services (transportation, day care...)
- Get general information on your obligations in the field of taxation
- Know where to find French courses
- Carry out closing procedures when you leave

We also organise events which enable you to:

- Socialise with other foreign researchers and discover the region's cultural heritage
- Work on your career development, and learn about job and funding opportunities

Timely services
**for you and
your family**

Before your arrival

- As soon as your hosting institution confirms your stay in our region, contact us at euraxess@univ-lille.fr
- Register on the GDPR compliant FnAK/EURAXESS database for international researchers www.fnak.fr/en/register
- Anticipate with us the priority topics of visa/residence permit, health insurance, banking and accommodation
- Inform us of your date of arrival

Upon your arrival and during your stay

- Open your bank account, finalise the procedures related to accommodation, residence permit and health
- Contact us about other aspects of your stay for which we can help
- Check your mailbox for news about the services we offer and the events we organise

Before the end of your stay

- Contact us for information on closing procedures
- Learn about your next EURAXESS centre, if you move to another country member of the Euraxess network

*Social and
cultural life*

*Visits
and
events*

*Career
development
workshops*

In order to benefit from EURAXESS welcoming services, one easy step to take:

Register on the database of the
Fondation nationale Alfred Kastler

Go to: www.fnak.fr/en/register (*in English*)
or www.fnak.fr/inscrivez-vous (*in French*)

Provide the name and professional email address
of your contact person inside the hosting
institution (*laboratory's director, supervisor...*)

A European initiative

Launched in 2004 by the European Commission, the EURAXESS network supports researchers in international mobility, whether they come from the European Union or not.

A welcome network in France

EURAXESS France is coordinated by France Universités, a body bringing French higher education institutions together.

Services centres facilitate the welcoming of international researchers in collaboration with hosting institutions.

Researchers & their families benefit from personalised and free assistance.
